- ☐ If I cancel my appointment with less than 24 hours-notice or do not show up, I will not receive a refund.
- ☐ I must present a valid government-issued photo ID in order to be admitted for testing. The name on my GED.com record must match the name on my photo ID.
- ☐ I may be asked to present a second form of identification.
- ☐ If my photo ID has an out-of-state address, I will have to present proof of my KY address, such as a utility bill with my name and address.
- ☐ No personal items, including cell phones, are allowed inside the testing room. Cell phones are **strictly forbidden** in the testing room. If I have a cell phone during testing, I will be escorted out and my test will not be scored. I will need to reschedule and pay for another test.
